Dear Mr. Brown;

The following is in response to comments received on the Shaffer project data summary. To date I have received a total of three responses to the summary (attachment 1). As promised I have included a draft Site Review Work Plan (SRWP) attachment 2. Please review this document and forward any comments to me by October 12, 1993. Upon receipt of comments I will make any appropriate changes and then schedule site activities (tentatively 10/18-29/93).

Thank you for your assistance on this project. If you have any questions or have additional comments I can be reached at (215)597-7915 or by FAX at (215)597-8138.

Sincerely,

Stephen D. Jarvela,
On-Scene Coordinator
